RE: Plans to build a new Memorial Hall

Dear members of the Management Committee,

Thank you for contacting me to inform me of your plans to rebuild a new memorial hall. I am pleased that the school is a consultee.

Having read the brief overview of your plans, I am supportive of the principle and believe that your vision will meet the future needs of the community. However, I am unsure about how the new plans will fit within the existing footprint of the grounds. It is also not clear what access will be included to the school field and for what purpose.

It may be easier to discuss this further in person or to see further outlines. I do recognise that you may not have finalised your plans at this point.

I will always be supportive of projects that will improve the facilities of the village, but without some further details it is difficult to comment at this point.

Please contact the school if you'd like to discuss this further.

Yours sincerely,

James Bancroft
Principal
