To whom it may concern,

After careful consideration, I regret to inform you that we are not in the position to accommodate the relocation of the Wistaston Jubilee Tennis Courts to the Wistaston Church Lane playing fields.

Our justification for this decision is that regulation dictates how many square metres of play area the school has to have per pupil. As I'm sure that you are aware, the land is tightly regulated. The proposed plans for the nursery, which still being at the planning stage could be subject to further change, indicate that the new building is going to have a bigger footprint and this will have an impact on our existing land.

In addition, we would be unable to include the tennis court in our existing meterage as they would only be available to the school part time.

Having carefully considered our options, we are currently unable to accommodate the Wistaston Memorial Hall's request to move the tennis courts.

Yours sincerely,

Steph Watson
